DOCKET NO. 2000-558-E - ORDER NO. 2001-054  
JANUARY 17, 2001

IN RE:	Application of Greenville Generating	)	ORDER ESTABLISHING
	Company, LLC for a Certificate of	)	MODIFIED FILING
	Environmental Compatibility and Public	)	SCHEDULE
	Convenience and Necessity	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion of Greenville Generating Company, LLC (the Company) for an extension of deadlines to prefile testimony in this matter. Pursuant to Commission Order No. 2000-1005, the deadline for the Company's prefiling of testimony is January 11, 2001. At the Commission meeting of January 9, 2001, the Commission Staff was instructed to perform a geographic information system (GIS) study prior to the February 8, 2001 hearing to aid the Commission in its consideration of the Company's application. The Company states that, in light of the pending GIS study to be performed by the Staff, the Company anticipates modifications to, and possibly, additional prefiled testimony in the Docket. Greenville Generating therefore proposes modifications to the prefiling deadlines, and notes the changes to the schedule will not meaningfully shorten the opportunity of any intervenor to consider and respond to the Company's prefiled testimony. Further, the request would not interfere with the February 8, 2001 hearing. No party objects to the modification to the deadlines.

Accordingly, we approve and grant the Motion. The Applicant shall prefile and serve testimony and exhibits on or before **January 17, 2001**. Staff and/or intervenors shall prefile and serve testimony and exhibits on or before **January 31, 2001**. (The parties may file and serve the testimony and exhibits by mail on the indicated dates. ) Rebuttal testimony and exhibits, if any, shall be filed and served on or before **February 5, 2001**. Surrebuttal testimony and exhibits, if any, shall be filed and served on or before **February 7, 2001**. (The parties must have any materials in the offices of the Commission and in the hands of the parties on the indicated rebuttal and surrebuttal dates.) Admission of surrebuttal testimony and exhibits is within the discretion of the Commission. Witnesses must be present at the call of the chairman, or, if a witness is not present, the Commission reserves the right to exclude that witness' testimony from the record and exhibits from the evidence.

This Order shall remain in full force and effect until further Order of the Commission.
